

## Creative Crew Art Term 1& 2

We will be running our weekly art sessions on a Thursday after school for children in Year 4, 5 & 6 who love to be creative!

We explore a wide range of fun and creative techniques, with the children producing a number of pieces of art work each term to take home and display.

Acrylic paint and inks, watercolour paints, glass paints, marbling inks, watercolour inks, oil pastels, wax pastels, clay and pencils were all used in our projects last year.
