- Large plastic bag to take damp clothes home!
- Drink container: 500ml +
- Comfortable change of clothes for the evenings

### **You might also consider:**

Torch

Camera

Walking boots

A pillow case (Nothing beats the smell of home!)

If your child does not already own these things, please do not spend a fortune purchasing them.

We suggest that your child is present when the bag is packed and writes a list of what they are taking. This minimises confusion when it comes to repacking on the Friday. Please ensure their name is written/stitched into as many items as possible and their name is on any luggage.

### **Personal Belongings**

Any personal belongings that your child brings are their responsibility. Your child is **not permitted to take a mobile phone** or any electronic musical equipment. If these are brought they will be confiscated and returned at the end of the week.

Cameras are permitted, but we recommend not sending a very expensive one!
