Giant Hogweed

Parents may want to make themselves aware of recent reports about this plant that can be found in our countryside. It is very poisonous and can cause serious burns and blisters. Further information can be found at <http://www.nhs.uk/Livewell/bites-and-stings/Pages/Plant-dangers-garden-countryside.aspx>

End of Year Service

Thank you to all those parents who joined us at our annual End of Year Service at St Michael's yesterday. We hope that you and your child enjoyed the occasion and are now looking forward to the next phase of their education.

Congratulations to all those who received an award, they were all well deserved.

We also said a special goodbye to Mr King who will be leaving Woodmancote today after 12 years at the school. I know that many families have benefited from his excellent teaching and sheer enthusiasm for the subject. We wish him every happiness for the future.

We continue to experience a very high demand for places at Woodpeckers and would urge all parents to return forms on time as there is a substantial waiting list. If forms are not returned on time places may be offered to those next on the waiting list.
