

### What is Sports Premium?

The government is providing additional funding to improve the provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school head teachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

### How this Action Plan will work?

This action plan outlines how PE will continue to be developed at Woodmancote over the coming year. It will show how the school intends to use the Primary PE and Sports Premium money. It will map out how the funding will be used to implement CPD for teaching staff, ensuring high quality teaching for all children. It will also take into account research and information regarding the mental health of children at this current time.

We will continue to provide wide and varied opportunities for children to participate in competitive sports, through our memberships with Cheltenham and Tewkesbury School Sport Network and the Cheltenham and District Sports Council. Furthermore, we will continue our excellent provision of sport through our clubs, run by members of staff during lunchtimes and after school.

This is a working document and will be updated at various times in the year, and in line with the needs of children and the staff at Woodmancote.

### Focus Areas:

- Staff CPD – ensuring a high quality of teaching and learning
- Maintain Opportunities for Competitive Sport
- Effective monitoring of provision
- Healthy Eating and lifestyle
- Health and Well-Being, including mental health

### Additional Focus Areas:

- Playtime activities that promote well-being
- Subject Leadership and Monitoring
