

## What is Sports Premium?

The government is providing additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve the provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school head teachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Eligible schools Funding for schools will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census in January 2013. Purpose of funding Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

### Evaluating Impact:

PE Subject Leader Nick Carter has evaluated the Impact that the Sports Premium funding has had on the 2014/15 academic year.

**RED** – target not achieved. School working towards ways of improving/implementing or changing the target completely for 2015/16

**YELLOW** – target partly achieved. School will now consider how this can be moved forward and improved in 2015/16 academic year

**GREEN** – target fully achieved. Highlights the positive impact this had had, and the huge benefits for staff, children and school sport and PE at Woodmancote. New targets will now be put in place for 2015/16 academic year.
