Introduction

Children have plenty of space at Woodpeckers to play with access to the hall, playground, library and IT suite. Drinks and a snack will be provided during the session and a variety of activities are organised each day to meet a range of ages and interests. Breakfast club fees include breakfast: cereal, toast and fresh fruit.

Children will be cared for safely by a team of staff; with at least one staff member per eight children.

The club is managed by committee made up of members from the Governing Body.

This pack contains written information about the club and the following documents:

- A registration form which needs to be completed for all children attending the club and which must be signed and returned to the Play leader before your child/ren can start attending.
- A copy of our Safety and Security policy setting out the responsibilities of parents, children and staff.

What do I do if I want to book a space?

Please telephone 01242 674312 or e mail a copy of the registration form to woodpeckers@woodmancote.gloucs.sch.uk or come into school with your completed Registration Form and agree a date when your child will start attending the club. You will see from the Agreement and Rules that we can take a regular booking or your can book at short notice if we have space available.

If you are considering using the Club and want to come and spend time with us to see what we get up to you are most welcome at any time.

General Information

Woodmancote School Before and After School Club provides before and after school activities for children aged 4 to 11, in a safe, happy environment, supervised by caring, experienced staff.

The morning session start at 8.00am and breakfast is provided if you wish your child/ren to have some. The children are then able to sit and do quiet activities and play before they are taken to school for 8.40 am.

The after school sessions start at 3.15pm (when school ends) and finish at 6.00pm during normal school days. A varied programme is offered including arts, sport and recreational activities. There is a quiet area set aside where children can read, rest or do homework. A snack will be offered daily and drinks are available throughout the session.

Children attending After School Club are supervised by Club Staff at all times during club hours until they are collected by their parent/guardian (or an authorised adult). Children aged 8 years of age and under will not be permitted to go home unaccompanied and children over 8 may do so only with the **written** permission of the parent/guardian. This written permission needs to clearly state the time the child may leave (and on which dates). Parents/guardians are reminded that they have full responsibility for their child/ren from the time that they are signed out of the club by a member of staff.

Woodmancote School Before and After School Club Agreement

Safety and Security of Children

The safety and security of children attending our club is a very important matter and everyone concerned has a part to play. This policy has four parts setting out the responsibilities of everyone involved with the club; parents, guardians, children and staff.

1. Responsibilities of parents/guardians

- Making sure that the contact details they have provided to the club are correct and that the Play leader is told about any changes.
- Notifying the Play leader if their child/ren will be arriving late for the club for any reason, e.g. after school activities.
- Notifying the club if their child/ren are not attending for a booked session for any reason. Please note that refunds cannot be given for cancelled sessions.
- Letting the Play leader know during a session if they anticipate being later than planned in collecting their child/ren.
- Letting the Play leader know if they have any concerns about their child/ren relating to the club.
- Gaining access to the building to collect their child/ren ONLY via the designated entrance and not asking children or other parents/guardians to let them in.

NB. Messages can be left with the school office or the Play leader

2. Responsibilities of children

Children are responsible for listening to club staff when they are told which parts of the school they may play in because this may be different on different days. For example they may not be able to play out on the field every day.

Children must not leave the area they are playing in without telling a member of the club staff.

Children must not open the outside doors to let in parents or anyone else, even if they are known to the children.

3. Responsibilities of Club staff

Club staff are responsible for:

- Checking with the school office whether any messages have been left about non-attendance.
- Ensuring children play in a safe way and do not take unnecessary risks while attending the club.
- Recording any incidents or accidents that may occur accurately, and discussing these on the same day with the person who collects the child concerned.
- Ensuring that at all times at least one member of the club staff is aware of the whereabouts of each child during the session.
- Only handing over a child to a responsible person named by the parent/guardian on their contact sheet
- Recording the time the child leaves in the register.

Woodpeckers Registration Form
