Zoolab Visit

On the 6th October Year 5 and Year 1 will be having a visit from Zoolab to tie in with their Rainforest and Jungle topics. Zoolab will bring in a variety of animals and tailor the sessions accordingly for both year groups. They will bring in a range of animals for the children to look at and handle, including a corn snake, tree frog, tarantula and scorpion.

We think it will be a highly interesting visit that will enhance the children's knowledge and understanding of these animals and their habitats.

The school is able to subsidize some of the cost of the visit but we are asking parents to make a small contribution of £2 to ensure that the visit is able to go ahead. We feel sure that the children will gain a great deal from seeing the animals first hand and really enjoy the experience.

If you have any questions please email or come and see me.

Many thanks,

Mrs Dodwell
