Shakespeare Rocks

Thank you to all those parents who supported the recent Year 4 production. The children performed brilliantly and were so enthusiastic, it was a pleasure to see.

Parent Support

We have received a very good suggestion from a single parent regarding a possible support group set up for single parents. Whilst we are unable to weave this into our Healthy Body, Healthy Mind week, we will aim to organize an initial session before the Easter break.

We will be able to offer childcare, but would like to know from parents, when the most suitable time would be. We would appreciate it if you are interested, could you email Mr Tucker and indicate which of these times would work for you and your family.

8.30am/3.30pm/5.30pm

We envisage the session lasting for an hour and if it proves popular, we will look to make it a regular meeting.

1. This competition is open to pupils attending Gloucestershire schools.

2. Awards will be made for individual photographs as well as for school entries in

Primary and Secondary school categories (see 13. below for details).

3. Each pupil may submit one unmounted print, either in colour or black and white: minimum size 6"x4" (150 mm x 100 mm) and maximum size A4 (210mm x 300mm)

4. The whole of the picture must have been photographed by the entrant and therefore be their copyright.

5. The prints may be produced in the dark room, on a home computer, or commercially.

6. Each print should be marked on the back with the **title** of the photograph, **name** of the photographer and their **school name**.

7. The entries must reach Mrs Greening at school below by Friday 9th March 2018

Gymnastics

Congratulations to the two teams that represented the school in the recent local Gymnastic competitions. The Junior team came a superb second, earning themselves a place in the next round, whilst the Infant team worked extremely hard against tough competition, with Alexie gaining silver for her routine.

Thank you to Mrs Burrows and Mrs Morrish for coaching the children so well.

STEM Week

To celebrate the end of STEM week, we would like to invite you to an open event in the hall on Friday 2nd March from 2.30-3.15pm.

Like last year, small teams of children from each year group will be exhibiting a selection of the work that they have completed in class throughout the week.

We hope that you will enjoy seeing the end products of what we believe will be an exciting week of activities.

PTA News

What a great Pancake Flip we had on Monday. The children all really enjoyed themselves and displayed some great flipping skills. With all that effort we hope they raised a huge amount for the school, with this in mind, could we please ask that all money is handed in by Friday 23rd February.

Pressie planet forms went out this Thursday. If you haven't got one there are spare forms available from main reception.

The next school disco date is to be confirmed but will have a new feature. Refreshments will be available to purchase in the Year 6 block for parents who want to stay.
