Christmas House event

We are running a house event for the end of the year with the opportunity to win lots of house points and even some Christmas chocolate!

We would like the children to design and bring in a 'Winter scene' in a box or if you do not have a box, a winter picture. It can be made in any box that you have at home and can be

created using any media - the more creative the better! Entries need to be sent in on Tues 15th Dec to be judged.

Cheltenham Schools Virtual Cross Country - Race 2 - Tuesday 24th November

Race 2 of the Cheltenham Schools KS2 Virtual Cross Country event recently took place.

All I can say is, "Wow!"

Everyone who entered from the juniors did themselves proud. There was a great atmosphere all day and this culminated in a great afternoon of cross country running.

Well done ALL the juniors and a well done to our gold, silver and bronze medallists. Also,

congratulations to the children who received a 'sporting value' wristband. Thank you to Josh @MoveMore for providing medals, bands and the music!

After two races of the four, Nottingham are ahead by three points from Leckhampton. However, this could all change in Races 3 & 4 in the New Year.

It is hoped that the Infants will also be competing in the New Year...so all children can get practising!

Keep safe. Keep fit.

Mr Hoyle

House Captains and prefects

The Year 6 children have been incredibly patient and we are sorry that it has taken so long to sort out, but we are delighted to announce the Prefects and House Captains for the year ahead.

Prefects:

Joe, Matilda, Gethin, Elana, Molly, Plamena, Lily, Lilian, Evie and Matilda

House Captains:

Cleeve: Emily and Zach (Vice: Lawrence and Molly Mae)

Malvern: Sophia and Kai (Vice: Molly and Seb)

Nottingham: Tom and Izzy (Vice: Jude and Ava)

Leckhampton: Sam and Romaisa (Vice: Evie and Charlie)

The children have not been able to show prospective parents around school as we have been unable to invite visitors in. However, we

are now looking at a range of ways in which these wonderful children can support the rest of the school and make the year ahead exciting and engaging.

Redevelopment of the Outdoor Learning Area

Do you have an interest in Environmental Education? Is gardening your thing? Do you have contacts in the landscaping business?

If the answer is yes, we would love you to consider being part of a small team to redevelop outdoor learning provision here at Woodmancote.

We are looking to expand the current area to include growing beds, a herb garden, a wildflower area, a magical story area and anything else that can help our children connect with the great outdoors.

We would be looking for grants as well as ideas, so if you feel you could contribute, please email Mr Tucker as soon as possible at head@woodmancote.gloucs.sch.uk

Bikes and Scooters

Please can we politely ask that children do not cycle or use scooters on the school grounds as this poses a real health and safety risk to others. Thank you

Dates for the Diary
