Year 6 Trip to Whitemoor Lakes – 20th-24th May 2024

16th January 2024

Dear Parents

We recognise that final payment for the Year 6 residential is not until March. However, we have a significant number of parents who have not contributed anything as yet and a decision to go ahead with the residential or not needs to be made by 26th January. This decision is based upon the payments to date (mid-January) and the likely intent of parents to pay in full by March 2024.

Please can we ask all parents to indicate asap whether they intend to pay the Residential Payment in full by the end of March, by at least paying an amount via Parentpay by January 25th.

We have not had to take this step before, but we are becoming concerned that there may be a significant shortfall in the overall amount paid by parents. Such a shortfall cannot be made up by the school.

Please note that children in receipt of Pupil Premium Funding are able to have the Residential paid for out of the money we receive from the DfE.

Yours sincerely
